In addition I AGREE and DECLARE as follows:-

NOTES

- Tick 'First' if you are not currently a member of another club. Tick 'Second' if you are a member of another club and you wish to keep it as your main club. You will race for your first claim club. You may participate in Cambridge CC events but will not qualify for Cambridge CC prizes.
- Household Membership covers a maximum of two adults and named dependants living at the same address. Please use a separate form for each member of the household. Under 18s need to complete a Junior Member's form, which should also be signed by a parent or guardian.
- Members of the club are referred to the [British Cycling Best Practice Guidelines](#) and are expected to comply with the Guidelines to ensure the safety of other road users.
- Other than for specific racing events, Cambridge Cycling Club does NOT offer third party insurance to members participating in club rides and hence there is no protection for claims made against them. Therefore we strongly recommend that members ensure that they obtain their own public liability insurance - for example through British Cycling (0161 274 2000) or Cycling UK, the national cycling charity (0844 736 8450). No cover is provided by the club's insurer if you accidentally damage your bike or it is stolen. Household contents insurance MAY provide cover. All riders should ensure that they have adequate insurance for their needs.
- Anyone taking part in a group ride, irrespective of whether they consider another to be a "leader," must appreciate that they are responsible for their own actions. If a member is involved in an incident where a third party is injured or has property damaged they must stop and offer contact details irrespective of who is at fault.
- There are many types of racing, some of the main ones are:
 - ⇒ Road Races (administered by the British Cycling, BC) are mass-start races; the first to cross the finish line wins. Races are typically 30 to 120 miles and take place on circuit courses. A racing licence has to be purchased and events normally have to be entered in advance. British Cycling: www.britishcycling.org.uk.
 - ⇒ Time Trialling (administered by the Cycling Time Trials, CTT) is a race against the clock, competitors starting (usually) at one-minute intervals. Normally the winner is the person that covers the course in the shortest time. Time Trials are usually between 10 and 100 miles. 'Open' events have to be entered in advance but 'Club' events are on-the-line entry. A licence is not needed: www.cyclingtimetrials.org.uk
 - ⇒ Cyclocross (administered by the British CycloCross Association, BCCA) is a mass start race but on an off-road course, with natural or man-made obstacles to negotiate. Races are typically one hour in length. A licence is not needed and most events can be entered on-the-line. Mountain bikes can usually be used.
- If you are interested in racing, but do not know how to start, please contact a member of the committee.
- Contact lists of members will be distributed to committee members to aid the smooth running of the club. Names, telephone numbers and e-mail addresses may be given to other members of the club. Tick this box if you do not wish your contact information to be given to other club members.
- From time to time photographs or video of cycling activities may be taken and used to report individual and club successes, activities and to advertise the club. Published images may be accompanied by name and, only if appropriate, age (no other details will be divulged).
